NOTICE OF FINANCIAL RESPONSIBILITY

I understand that payment for all medical care is due at the time of service. The parent and/or legal guardian who signs this form is responsible for any and all co-pays, deductibles, co-insurance, and/or unpaid balances not covered by insurance, regardless of marital status. I understand that I am responsible for any costs incurred in the collection of a patient's account in case of default, including reasonable attorney fees and court costs.

I hereby grant permission to Pediatric Health Care Alliance, P.A. to release any pertinent information to my insurance company upon request, and I also authorize payment directly to Pediatric Health Care Alliance, P.A. A photocopy of this authorization shall be considered as effective and valid as the original.

NON-COVERED SERVICES

I am aware that some services performed by Pediatric Health Care Alliance, PA may be considered "non-covered" by my insurance carrier or Medicaid, therefore I will become fully responsible for payment of these services.

DIVORCE/CHILD CUSTODY

Pediatric Health Care Alliance, PA will not honor the specific financial arrangements set forth in a Child Custody Agreement, Divorce Settlement Agreement, Divorce Decree from Judgment, or the like (the "Arrangements"). Since PHCA is not a party to these Arrangements, it is not obligated to the financial terms of these Arrangements.

In cases of child custody, the parent who presents their child (the "Presenting Parent") for care and treatment at PHCA is responsible for the payment of co-pays, co-insurance, and deductibles at the time of service. This policy applies whether there is a joint-custody arrangement of the child and/or joint responsibility for their medical expenses. If the child is on the non-custodial or non-presenting parent's health insurance, then PHCA will still collect the applicable co-pays, coinsurance, and deductibles at the time of service from the Presenting Parent. Upon request, PHCA will provide a duplicate copy of your receipt so that the Presenting Parent or guardian can seek reimbursement where appropriate.

NOTICE OF PRIVACY PRACTICES

I have reviewed this office's Notice of Privacy Practices, which explains how protected health information will be used and disclosed. I understand that Pediatric Health Care Alliance, PA has the right to change its Notice of Privacy Practices that will be effective for health information the practice already has about my child[ren], as well as any they receive in the future. PHCA will post a current copy of the Notice. I understand I may receive a copy of the current Notice upon request.

BILLING GUARANTOR SIGNATURE/CONTACT INFORMATION

Billing Guidelines

Patient Name: _____

Date of Birth: _____

Pediatric Health Care Alliance billing policies and a representative list of items with potential fees and charges are outlined below. This information is to ensure you are better informed at the time of service, and prior to the arrival of a billing statement. Please speak with the office manager if you have any questions regarding this information.

- **CO-PAYS:** It is our policy to collect your insurance co-pay at check-in. This simplifies the office process and ensures the financial obligation is met at the time of service.
- **CO-INSURANCE/DEDUCTIBLES:** Every effort is made to fairly estimate the co-insurance or deductible owed based on the nature of the visit. It is our policy to collect these payments at the time of service.
- **BILLING:** As a courtesy, Pediatric Health Care Alliance bills your health insurance provider on your behalf, with the following guidelines/exceptions:
 - **Insurance Card:** It is critical that the most current insurance card is brought to every appointment. We must have the correct information at the time of service. An insurance card is similar to a credit card – the information must be current and valid in order for it to be used.
 - **Auto Insurance:** We do not bill auto insurance for visits and medical care related to an auto accident. Payment will be required at the time of service, and we will provide the paperwork needed for you to submit to the auto insurance provider for reimbursement.
 - **Secondary Insurance:** PHCA only bills TriCare and Medicaid from the secondary insurance governmental plans.
- **COMBINED VISITS:** If you are scheduled for a well child exam, and other health concerns are brought up that would typically require a sick visit, your insurance company may consider these two separate visits and bill your co-pay and other charges accordingly.
- **EVENING/WEEKEND/HOLIDAY SURCHARGE:** Some health insurance providers bill a surcharge if you see your pediatrician after normal business hours, on the weekend, or on a holiday.
- **ADMINISTRATIVE FEES :** PHCA charges various fees for the following items, which require personnel and resources to address.
 - **Copies** of medical records given to the parent (no charge if sent directly to new provider)- \$1.00/per page/first 25 pages, then 25¢/per page thereafter.
 - **Completion** of additional school physical forms, e.g. blue/yellow forms (1st set free at visit)- \$1.00/per page
 - **Special request completion** of camp or sports physical forms (free during visit)- \$20.00
 - **Special request** physician letters- \$20.00
 - **Completion of** FMLA paperwork- \$25.00
 - **Returned check** (for insufficient funds)- \$29.00
 - **No-show / late cancellation fee** when a patient:
 - Does not show for their scheduled visit- \$25.00
 - Cancels a sick appointment less than 4 hours in advance- \$25.00
 - Cancels a well visit less than 24 hours in advance- \$25.00
 - Cancels a consult visit less than 24 hours in advance- \$35.00
 - Cancels any Behavioral Health visit less than 24 hours in advance- \$50.00
 - Cancels less than 24 hours in advance or does not show for any Behavioral Health Testing visit - \$100.00
 - Arrival late (15 minutes or more) for scheduled appointment time even if seen later in the day- \$25.00

Consent For Treatment of Minor Child

Pediatric Health Care Alliance, P.A.

Your Child's Medical Home™

MEDICATION AND TREATMENT CONSENT. This Consent Form is intended to confirm written consent for the patient(s) named below (the "Patient") to receive medical treatment at Pediatric Health Care Alliance, P.A. to include services rendered by its employed or contracted providers, and other medical professionals, (collectively "PHCA"). I understand that except as otherwise provided by law, PHCA cannot provide health care services or prescribe medicinal drugs to a minor child without first obtaining written parental or legal guardian consent, as applicable. My signature below hereby confirms my consent for the PHCA and PHCA Providers to provide health care services and prescribe medicinal drugs to the Patient based on the judgment of the PHCA provider, and includes, without limitation, consent for the Patient to be evaluated and treated for medical conditions, including physical or mental health conditions and other sensitive matters, as deemed ordinary and necessary, and advisable, in the judgment of the Patient's PHCA provider.

TREATMENT SERVICES. I understand that medical care and treatment of the Patient that I am consenting to will typically include, as determined by the health care practitioner, ordinary and necessary medical treatment, including a full physical examination including an external genital examination, and the prescribing of medicinal drugs as needed to treat health conditions ("Treatment Services"). By signing below, I acknowledge my consent for the Patient to receive such Treatment Services from PHCA. I acknowledge that this consent specifically expresses my consent for the Patient to receive an external genital exam from a PHCA provider as part of their medical care and treatment. It has been explained to me that I have a choice about the use of Treatment Services at PHCA and other services that may be available or recommended to the Patient during the course of their treatment.

CONSENT TO DISCLOSURE OF HEALTH INFORMATION. To facilitate the treatment services provided by PHCA pursuant to this consent and to coordinate care for the Patient, I hereby authorize and request that copies of prior medical and billing records related to the Patient's treatment services be provided to PHCA. This consent to disclosure specifically includes without limitation, complete psychological and assessment records, most recent plans of treatment, progress summaries, discharge summaries, treatment notes, including mental health information and diagnosis, HIV/AIDS and/or other STD information, substance use, or abuse information, genetic information, and any other appropriately related documents or information reasonably requested by PHCA.

ACKNOWLEDGMENT. By signing below, I represent that I am either a parent or the legal guardian of the minor child/children named below, with the legal right to consent to medical treatment and medication prescribing and administration on behalf of the Patient. I consent to Pediatric Health Care Alliance, P.A. physicians, providers, and other employed or contracted medical professionals to provide, solicit and arrange for health care services, and prescribe medicinal drugs when determined necessary in the professional opinion of the treating PHCA provider, to the Patient(s) named below. Additionally, I have listed other people who are authorized to bring my child/children in for medical care and treatment.

For individuals/representatives acting on behalf of the Patient, you must indicate your relationship to the Patient, and provide proof of your authority to act on the patient's behalf (other than natural parents).

Shared Custody Statement

Pediatric Health Care Alliance, P.A. ("PHCA") is dedicated to the health and well-being of our patients. Because our patients are children, we rely on parents, legal guardians, and other supportive adults to assist us in their care. Given the sensitive nature of the unique challenges that can arise when children of divorced or separated parents need medical care, we want to share PHCA's philosophy with you to help navigate these sensitive areas and avoid misunderstandings during the treatment process.

In general, we ask that parents NOT place our office in the middle of family disagreements. We do not believe this is the best interest of patients and rely on parents to keep our practice atmosphere calm, professional and caring for the children we serve.

1. State and federal privacy laws provide that both parents, custodial or non-custodial, have a right to the child's medical record and information about their care unless a court has determined otherwise. If either parent requests information, we will honor that request. If a Court Order has been issued that restricts either parent's role, please provide a copy of the Court Order to our office.
2. Step-parents are not generally authorized under the law to consent to medical treatment for a child. If a step-parent will be bringing the child in, they must be listed on the permission to treat form to be seen. Please assist us by keeping your paperwork current.
3. We may communicate about a patient's care with one parent, based on who is involved in the patient encounter. We rely on parents to communicate with each other about the child's visit, dates of appointments, treatment recommendations, and other relevant issues, rather than calling both parents separately to discuss the visit due to lack of communication between parents.
4. The parent who brings the child in for an appointment is responsible for co-pays or insurance deductible payments at the time of service, even if the other parent is responsible for medical insurance. Please do not ask our office to collect payments from a parent who is not at or may be unaware of the visit.
5. Both parents are attending the appointment- in a non-urgent situation, if parents disagree about medical treatment (e.g., to vaccinate or not vaccinate) we will postpone recommended treatment until there is an agreement between both parents.
6. If there is an urgent situation and the child is extremely ill, we will do what we feel is in the best interest of the child in a manner provided for under applicable law.
7. Other situations that are not in the best interest of your child and will not be tolerated and may lead to dismissal from PHCA:
 - a. One parent makes appointments, and the other one cancels them.
 - b. A parent who asks us to write or say negative things about the other parent.
 - c. Parents who fight or create conflict in our offices.
 - d. Any other behaviors which interfere with our ability to provide excellent medical care to all of our patients in a warm and peaceful environment.
 - e. Changing demographics, email address or portal username/password without notifying the other parent.

We sincerely appreciate your trust in us, and ours in you, to work together in the best interest of children's health.

Acknowledgement of Pediatric Health Care Alliance Vaccine Policy

Dear Parents,

As part of our commitment to patient-centered care, we are dedicated to protecting the health of our patients and the community through vaccination. Vaccinating children and young adults is one of the most important health-promoting interventions we can perform as healthcare providers, and you can perform as caregivers. Routine childhood immunizations have resulted in a tremendous decline in serious infections, disability, and death. Unfortunately, these illnesses are still present in the United States and other countries and are often just a short plane ride away. We understand that parents have reservations about certain vaccines, and our pediatricians will be happy to discuss those concerns with you as a new patient.

At PHCA our vaccine policy requires that medically able patients need to be fully vaccinated, based on the CDC Recommended Immunization Schedule for Children and Adolescents.

We believe that failure to follow the recommendations about vaccination may endanger the health and life of a child, and others with whom a non-vaccinated child may come into contact. Failure to adhere to this policy will result in dismissal from PHCA. **Therefore, if you have already decided with absolute certainty that you will not vaccinate your child(ren), we encourage you to find another healthcare provider who shares your views.**

NOTE: In accordance with this policy, PHCA requires vaccine records/history prior to the first appointment for any transferring patient.

PHCA Standards for Vaccine Compliance	Vaccines Needed**			
By the age of 12 mos: Patients must have received these vaccinations recommended for ages 0-9 months	Hep B DTaP	Hib IPV	Pneumococcal	
By the age of 24 mos: Patient must have received these vaccinations recommended by 18 months of age	Hep B DTaP	Hib IPV	Pneumococcal MMR	Varicella
By the age of 5 yrs & 11 mos: patient must have received these vaccinations recommended by 6 years of age	Hep B DTaP	Hib IPV	Pneumococcal MMR	Varicella
By the age of 12 yrs & 11 mos: patient must have received these vaccinations recommended by 13 years of age	All of the above, plus Tdap			

***Please note: While PHCA strongly recommends all childhood vaccines, we are allowing limited exceptions to the vaccine compliance policy. Rotavirus, Hep A, influenza, Meningococcal, and HPV vaccines are recommended but not required as part of our policy.*

The decision to adopt a more stringent policy regarding vaccination stems from the risk that a non-vaccinated child poses to other patients in our office, and vulnerable families such as newborns or children with weakened immune systems. As a pediatric group, we feel a powerful responsibility to work towards protecting our community from illness as much as possible.

Please note, that if you feel your child has a health condition that does not allow vaccination, please Let us know.
